### “Enriching Lives through The Arts”

Do you get pleasure from an interest in any of the classic Arts, eg painting, drawing, sculpture, the theatre, historical architecture, photography, music - be it classical jazz, opera, shows or other traditional forms of ‘serious’ music?

We have a varied programme of fascinating illustrated lectures given by entertaining and knowledgeable professional lecturers for our circa 150 members residing in or nearby or associated with Havering. Our use of Zoom for our lectures and other activities during the period of the Covid lockdown has been so successful that when we return to meeting in person we expect to offer our lectures over Zoom, for those for whom travel is not an easy option.

Our lecture programme of 2021 – 2022 includes:

Painter of Light: Joaquin Sorella – 14<sup>th</sup> September  
Lawrence Alma-Tadema: at home in antiquity – 12<sup>th</sup> October  
Sir Stanley Spencer – An autobiography in pictures – 9<sup>th</sup> November  
Christmas at Covent Garden – 14<sup>th</sup> December  
The Queen of Instruments – The Lute within old masters paintings 11<sup>th</sup> January 2022.  
Caravaggio: Murderer or Genius? – 8<sup>th</sup> February 2022

Study Day - 27<sup>th</sup> October 2021 – The Art of Politics – Dr Caroline Shenton.

You can attend any of these lectures as a visitor or trial member, for a fee of £8.00.

Full membership costs £46.00 for a full year.

We have an outing organised for Salters' Hall in London in the autumn.

An example of a recent overseas tour was The Art & Palaces of St Petersburg

**We meet at** The New Windmill Hall, St Mary's Lane, Upminster, RM14 2QH from 10:00 am, every 2nd Tuesday morning of the month apart from July and August.
